Dear Fellow Property Owners;

It is time once again for our annual Glen Cove Maintenance Association general membership meeting. It will take place on **Saturday, November 5, 2022, 10:00 a.m.** at **Key Center Fire Station. 8911 Key Peninsula Hwy NW, Lakebay, WA 98349**. Please make every effort to attend or at least give your proxy vote to someone who can represent you and your ideals. The board is looking to see what our members see as a priority for the coming year.

We will also be electing new officers and board members. This is your chance to **get involved** and have your voice heard. If anyone may be interested in any of the positions or would like to be on the Board, please let us know.

As your President, I need to make sure that you are aware that if you are not paid up in full on your dues, you may not vote. We have had a pretty good success rate in collecting dues, but there are still 11 property owners in need of paying for the current year. Your timely payments mean that the work on the roads can be budgeted for and used.

We look forward to seeing all of you at the meeting!

Pam M. Busek, President pamross@centurylink.net
